“My English is not bad, but when I have to speak it at work I feel I’d need more regular practice.” Does this sound like you? We have the solution: a weekly conversation course to keep your professional English “topped up” and ready to go when you need it. Improve your fluency and boost your vocabulary in a relaxed, communicative atmosphere for 90 minutes each week.

Topics & activities:
• A range of attractive topics relevant to your work and interests, with a different thematic focus each week
• Video excerpts, short articles and structured discussion tasks provide the stimulus for authentic speaking scenarios and intercultural awareness-raising
• Your vocabulary and terminology questions answered.
